Cancellation and Rescheduling

The Dallas Zoo is open rain or shine. Your reservation may be rescheduled once without penalty. Additional reschedules will be charged \$25 per instance. Field trips and programs will be cancelled if DISD is closed due to severe weather. Rescheduling fees due to DISD closure will be waived. Reschedule dates should be at least two (2) weeks in advance. We will do our best to accommodate late arrivals, but we reserve the right to cancel or adjust programs as needed. All changes and requests must be submitted in writing to Education@DallasZoo.com. Refunds will not be issued for any amount under \$20, for program changes/cancellations made within one (1) week of the scheduled date, or for no-show groups.

Arrival and Parking

School buses park for free. All other vehicles must pay the posted parking fee. On busy days, the Dallas Zoo operates two separate parking lots and entrances. We make every attempt to keep buses and chaperone vehicles together, but in the event your group should become separated, please make sure you exchange contact information between your lead teacher and chaperones prior to arriving at the Zoo. Please note that April and May are high volume school group months, especially during state testing. Plan your travel and entrance times accordingly.

At the Ticket Gate

The lead teacher will need to bring the confirmation letter and payment for Zoo admission. Be sure to have an exact count of students and adults prior to checking in at the ticket gate. Teachers and bus drivers count as adults. Do not include adults who will be paying separately.

Instructor-led programs

If you are scheduled for an instructor-led program, please assemble your students at the designated meeting location at least 10 minutes before your program begins. Programs begin promptly at the scheduled time. We will do our best to accommodate late arrivals, but we reserve the right to cancel or adjust programs as needed. Class size is strictly limited and cannot be adjusted on the day of your program. Extra chaperones will not be able to attend classroom programs due to space limitations. A teacher must be present at all times during the program. The lead teacher will be contacted by Dallas Zoo instructional staff one (1) week prior to your scheduled visit with program location details.

Lunches

Animeals Boxed Lunches can be purchased in advance through our Group Sales and Catering Department. Food and drink can also be purchased at several locations throughout the Zoo, including The Prime Meridian Café, Serengeti Grill, and Wilds of Africa Grill. For more information please contact our Group Sales Office at 469.554.7470 or email SSA@DallasZoo.com.

Groups can bring their lunches to the Zoo and eat in any of our outdoor picnic areas, including Cat Green and Picnic Ridge. We do not have lunch storage on grounds. Plan to carry your lunches with you. We advise groups to hand out lunches at the bus or bring wheeled coolers/carts to transport them. If you leave the Zoo to get lunches on the bus, you will need to show your receipt/admission ticket to re-enter the Zoo.

Prepare Your Students

Students must stay with chaperones at all times. We recommend assigning students to small groups prior to arriving at the Zoo. Please review the Dallas Zoo Code of Conduct with your students.

Code of Conduct: Teachers and chaperones will be held responsible for student conduct. Any behavior that endangers the safety of our animals, staff or other visitors will result in your group being expelled from our facility.

- DO have students wear nametags that include their name, school, and teacher's name (no safety pins)
 - DO stay with their assigned chaperones at all times.
 - DO understand that animals, like us, need rest and privacy. If an animal is not visible, check back later.
 - DO pick up your trash. Please dispose of garbage in trash or recycling bins.
 - DO stay on pathways.
 - DO walk, not run.
 - DO use quiet voices.
 - DO be patient and look all around the exhibit. Animals are adapted to blend in with their surroundings. They may be resting nearby.

We require one adult chaperone for every 10 students. Make sure each chaperone understands the following:

- Chaperones must remain with their assigned students at all times.
 - Any behavior that endangers the safety of our animals, staff or other visitors will result in your group being expelled from our facility. Please be sure all chaperones review the Dallas Zoo Code of Conduct.
 - Inform your chaperones of times and locations for arrival, any scheduled programs, lunch, and departure times.
 - Inform your chaperones where to go for emergencies, lost children, and lost & found.
